

Respect in Sport - Activity Leader Certificate

I am not just an activity leader, I'm a role model and mentor and I might be the only trusted adult in a young person's life.

Being a positive role model can have a life-long impact on the young people in my care.

When a bystander steps in bullying stops in 10 seconds 57% of the time.

Nothing on the internet is private. Remember, the internet has no Delete button.

Be the leader whose name they will never forget and leave an impact on their life!
