Dear Karen,

It gives us great pleasure on behalf of Scouts Canada, to inform you that for your service to Scouting you are being awarded the **CERTIFICATE OF COMMENDATION**.

We extend to you our own congratulations and thanks for what you have been doing for Canadian youth through your work. Please find below the citation we received from DCC Recognition, which resulted in you being awarded the Certificate of Commendation:

I would like to take this opportunity to extend to you, my sincere thanks for all you do for Scouting in the Manitoba Council. Whether it is the front line volunteers, or those working diligently behind the scenes, collectively, you do great work. Let us all try to make sure those "random acts of scouting spirit" do not go unnoticed. As our founder once said, "The real way to gain happiness is to give it to others." This happiness is reflected in the smiles seen each week. Youthful faces, with grins from ear to ear, meet you at every gymnasium and meeting hall. Those smiles are the products of their own adventures you encourage, assess for risk, help finance, and sacrifice time for. Therefore I must also extend a tremendous thank-you to your families, for their understanding.

Yours in Scouting,
